## Las Vegas

This past weekend Carl and Craig witnessed in Las Vegas. We arrived in Las Vegas on Saturday morning around 8AM (Vegas time). As we drove down the strip we realized that no one was up yet. So we decided to go to IHOP to get some breakfast. As we ate the waitress would continue to check back with us to make sure we were OK. Eventually we swung the conversation to the spiritual by asking her if there were any good churches in the area. She said she did not know. However that gave us the opening to talk more about the things of God! While paying the bill Craig was able to share the entire Way of the Master approach all the way through the Gospel presentation with her. She was noticeably moved by her need for a savior and said she would look at the Gospel of John we gave her! WOW! If the trip had been over then, we would have counted it a success being able to introduce Chennel to Christ! Fortunately that was not the end, but just the beginning. During the next two days we handed out over 750 Gospel tracts on the strip, shared the Gospel one one one dozens of times and had many other great witnessing experiences. One popular place for us was to stand outside of the Mirage and hand out Las Vegas

Tracts (looks like a 21 black jack hand on the front with the Gospel message on the back). We also had good success talking with people using an "Intelligence Test" survey. We stood outside of the MGM Grand by the Bronze Lion sculpture (its the largest such in the western hemisphere for you trivia buffs). As

people would come by to take pictures we would offer to take their picture. They were appreciative and handed us their cameras. This gave us the opportunity to talk to them about Christ and share a Gospel of John with them when we handed the camera back. In downtown Las Vegas we met three guys (and saw a fourth who we did not have a chance to talk to) that were out witnessing and sharing Gospel tracts. Please keep Josh, Mark and Matt in your prayers; they are out in downtown Las Vegas every Friday

and Saturday night. In downtown, we had good success talking with people using the Ten Commandment coin or tracts to strike up conversations. I shared the Gospel presentation with Luis while his kids and extended family all listened on. He was moved by the Gospel message. He and his kids all went home with Million Dollar Bills and Gospels of John. We regret not getting a picture of this. It was awesome! There are many other stories to tell from talking to Shelly in the Mall, to talking to Frank (homeless) on a pedestrian bridge crossing Las Vegas Blvd. Please know that your prayer covering meant the world to us and kept us safe and protected. I returned home Sunday night. Craig remained in Vegas until Tuesday for the CES conference. He had opportunity to distribute a number of more tracts!
