\$50,000!!!

“Go therefore, and teach all nations, baptizing them in the name of the Father and the Son, and the Holy Spirit...” Matthew 28:19

You will be happy to know that I have been selected to have my name entered into a drawing to win \$50,000!! WOW! That would sure come in handy and help fund this ministry! OK, so we were sitting around tonight and got a phone call that indicated that from some drawing we entered last year we have the chance to win \$50,000. By being entered we also have won a free travel package for two! Yippee! All we have to do is come to a 60 minute no obligation tour! OK. Call me a sucker. I signed up for it! Anyway, after getting everything verified the person on the other end of the line said to have a nice night and said good-bye. As she was saying good-bye I asked “excuse me, can I ask you an interesting question?” However I think she was already in the process of hanging up. I was bummed out that I did not get to witness to her. Then to my surprise the phone rang. It was Amber calling back. She said “I’m sorry to have hung up, I guess you had a question.” So I said “yes, I wanted to ask you an interesting question. What do you think happens when you die?”. She said she would go to heaven.

Actually then added that everyone would go to heaven. I was able to then talk to her about heaven

On Sunday Eric and I were witnessing at Arbor Hills Nature Preserve by handing out bottles of water and talking to people about how they can receive Living Water from Jesus. The park was so crowded that people we “forced” to park on the grass by the “No Parking on the Grass” sign.

and hell and how only those that believe in Jesus Christ would go to heaven. I was so excited that she called back and I was able to witness to her!

Water and the Word

On Sunday afternoon Eric and I took a cooler full of cold water bottles to Arbor Hills Nature Preserve. We stood out there and called out to people “would

you like a free bottle of water?”. When they said yes, we explained to them that there was something about this water - after they drank it they would get thirsty again. Then we explained how the Bible tells us that we can get Living Water where we will never thirst again. We pointed them to John 4 and handed them a Gospel of John to take with them. We plan to go out again this weekend and do this again!

Would you sell your eyes for \$10,000,000?

This is the cover of the new tracts we got from GNN. We used this line today at the mall and it worked well as a transition to spiritual things. You see (no pun intended) no sane person would trade their eyes for money. And the eyes are merely the window to the soul! Great conversation starter!
