As we "go"

"Go therefore, and teach all nations, baptizing them in the name of the Father and the Son, and the Holy Spirit..." Matthew 28:19

Where did you "go" this week? Did you get a chance to share the Gospel as you went? This is what Bezeugen is about; sharing the Gospel as we "go". As you "go" to the store, gas station, sporting events, etc please consider carrying some tracts or Gospels of John with you and hand them out to the people you meet.

We have been presenting the Basic Evangelism Training Seminar to the youth group at Hebron Community Church the past two Sunday's. We have had about 20 teens there each week. Last Saturday I took my son Eric and two of his friends to Stonebriar Mall so that they could practice what they have learned. I sent them two by two to talk with various groups of teenagers that we saw at the mall. Along the way we got to share the Gospel with Taylor, Katie, Preston, Brandon, Josh, Ashley and others. Taylor, a self-professing lesbian, said she was going to hell and her friend Katie would be driving the bus. She said she would only be concerned about going there if someone who had been there

could warn her about it. Fortunately, we had a CD Gospel Tract called "To Hell and Back" with us. We

gave it to them and they said they would listen to it. This CD is free from www.freecdtracts.com and tells about a near death experience in hell! Please pray that they listen to it.

When we left the mall, Eric, Jonny and Ryan all commented to me that witnessing was a little scary but was a lot of FUN!

Eric and I made a stop at a new video game store last night while waiting to get some tires put on his bike. It is a neat store where you can try any game

before you buy it. We got to talking to the owner, Rob. He said he does not know what happens when you die and thinks that people just make up God to explain what they can't explain otherwise. He commented that he does not think it is fair that just because someone does not believe in Jesus that they would go to hell. I told him that they go to hell for violating God's law and that they avoid hell by believing in Jesus. We had a good conversation and left him a couple tracts and a Gospel of John. Eric got in on the conversation as well. Back at the bike shop we were able to talk to both employees of the bike store to find out that they are both saved! I'd like to encourage you to converse with the people you meet this week. You may be the one to give them a tract that will save them!
