## Encounters

*"Go therefore, and teach all nations, baptizing them in the name of the Father and the Son, and the Holy Spirit..." Matthew 28:19*

On Saturday a team of ten of us went out witnessing at the Denton Art and Jazz Festival. We handed out about 400 tracts and had many witnessing conversations with unbelievers. We had several people that we had trained during our recent Evangelism Seminars out witnessing for the first time. It was truly exciting to see Dawn and David jump in with both feet and witness to people. I want to share one particular experience. I encouraged Dawn to strike up a conversation with three teen aged girls that were walking towards us. Dawn was up to the task asking one of the girls if she would go to heaven if she died tonight. The girl responded that she would because of faith in Jesus! As a side note, you would be surprised at the number of so called believers who call themselves Christians that won't give that answer when asked. Anyway, I told the girls that we were conducting evangelism training and that Dawn had just completed our seminar. I asked them if Dawn could practice on them. They agreed. Dawn then walked them through the Way of the Master method asking them about the ten commandments to show them how we show a person is separated from a Holy God by

Saturday night we will be at the Dr. Pepper Ballpark in Frisco handing out tracts and witnessing before the Roughriders game. Please come join us from 5:30 to 7ish.

breaking His laws. When she finished we thanked them for their time. But before we let them go, I asked the other two girls what they thought of what Dawn had shared with them. The first one said she agreed with it and was a believer. The other said she did not believe that. We then went through the dialog again with her. She was a borderline athiest/ agnostic who believed in evolution over creation. While we were talking the girls parents came up and were listening to the conversation. At one point the girl made mentioned of her Mom always wanting her to go to church. I told her "your mom

may not like me telling you this, but whether you go to heaven has nothing to do with going to church." A few minutes later the mom entered the conversation and had a passionate conversation with her daughter about why she wanted her to be saved. I went on to explain that we can only go to heaven due to a personal relationship with Jesus Christ. I gave the girl a booklet with scientific facts in the Bible. Please pray that she reads it and comes to believe in the God of the Bible and salvation through Jesus Christ. We had many other witnessing encounters at the fair and throughout the week including in depth conversations with several Muslims, a Catholic and many other people. We had the privilege of seeing a woman rededicate her life to Christ at Arbor Hills Nature Preserve on Monday night! We had the opportunity to talk with a number of people at Valley View Mall at lunch on Tuesday. We are so thankful for all of your prayers!
