Spiritual Climate

"Go therefore, and teach all nations, baptizing them in the name of the Father and the Son, and the Holy Spirit..." Matthew 28:19

What is going on in America? California is just weeks away from allowing gay marriage. New York's governor has said the state will recognize these marriages. In Detroit a high school coach was let go because his assistant tried to witness to Muslim students even though it took place outside of the school or any school sanctioned event. In Texas, numerous Hindu and Buddhist Temples are being constructed. Paul reminds us in Romans 1:25, "They exchanged the truth of God for a lie and worshipped and served created things rather than the Creator who is forever praised." On Wednesday night Todd and I witnessed to two Muslims. We had a great conversation with them and they were open to taking our tracts and a Gospel of John and said they would read it. On Thursday I saw on the news that in Iran we would face the death penalty for even trying to talk to them about Jesus and they would too if they convert to Christianity. When I shared the Gospel with a family member recently I was told that I "need to be tolerant of people's beliefs". As a good friend of mine put it, I am not willing to tolerate letting satan lead all these people to hell and stand idly by and do nothing.

No, I have not been to Asia recently. Robert Adams took this picture of a Buddhist Temple right here in Dallas! We the church need to be aware of these idols and demonic influences and pray for revival in The Church!

All of these things show me all the more need for us to take Jesus' command to make disciples all the more seriously. It is my prayer that the church will wake up, share the Gospel and live as a witness for Christ for America and the world to see.

Witnessing Encounters

This week we had some wonderful witnessing encounters. I had the chance to witness to a

Buddhist Priest, a muslim and an atheist all at the same time at the Cincinnati airport last weekend. There were a number of others listening to the conversation. The Gospel was shared with each of them. Todd, Craig and I had a number of great conversations with people at the mall, in downtown Dallas and at the Shops at Legacy. I made the most of the weekend in Kentucky with my family to share the Gospel with several family members. Of all the people I've shared the Gospel with, sharing with my family is the hardest. I am working through The Way of the Master Intermediate Training. In the section on witnessing to family, the homework is to write a letter to a family member. So I wrote such a letter to my niece and her husband-to-be as part of their wedding present. I also have written emails with the Gospel message to my brother, sister, brother-in-law and sister-in-law this week. I continue to pray for them to know the Lord. I can not make them believe, so I just keep scattering seed and praying it takes root! Perhaps you have an unsaved family member. May I encourage you to write them a letter and share the Gospel with them.
