## State of the Ministry

*"Go therefore, and teach all nations, baptizing them in the name of the Father and the Son, and the Holy Spirit..." Matthew 28:19*

I wanted to take this opportunity to update you all on what is happening with Bezeugen Ministries. So far this year we have presented the Basic Evangelism Training Seminar seven times and trained nearly fifty people. We have been witnessing every week and distributed just over 5,000 tracts! (Our goal for 2008 is to distribute 10,000 tracts). Thanks to some donations we have over 15,000 tracts on hand to distribute. The Lord definitely provides and helps us think bigger! We are actively reviewing materials to select a resource to use for discipleship / mentoring of new believers and seekers. We have spoken with a number of church leaders to start establishing partnerships there.

**You can help**

With all that has been accomplished, there is a lot more to do to save the lost. We can use your help in a number of ways. First, and foremost, is to continue praying for us and the ministry. Satan does not like what we are doing and is out to steal, kill and

Last Saturday, my son Eric and I handed out 400 tracts at Victory Plaza outside of the American Airlines Center before the Dallas Desperados game. We plan to return tonight (June 14) to do it again. Please pray for the opportunity to witness to people!

destroy. Please pray that we remain encouraged, energetic and faithful to the calling to share the Gospel. Second, we are seeking partnerships with churches to host the Basic Evangelism Training Seminar and assist with the discipleship / mentorship programs. I have a copy of Ray Comfort's Way of the Master book for the first person to connect me with a pastor that I have not already spoken to about Bezeugen! Third, we can use help labeling tracts. As we go to events like

Kaboom Town and OzzFest, we will distribute literally thousands of tracts. We need to put a label on each tract so that people can reach us for follow-up if they want to. Currently we have over 5,000 tracts remaining to be labeled. If you would be willing to take a few hundred tracts, affix the label to them and return them to us we would be grateful. All materials will be supplied. You can do this while watching TV or hanging out at home.

**Witnessing Encounters**

Of course, this week we had some wonderful witnessing encounters. I'd like to high light one of them. Eric and I were in Dallas handing out tracts. We walked up to a guy who identified himself as an engineer. He said he did not believe in the Bible because of lack of evidence. I shared with him how science confirms the Bible. Three times in the old testament the scripture declares the earth is round. Leviticus tells doctors to wash under running water. The proof is there. We just have to look. After a nice conversation, he took a tract and agree to read it.
