Thanks so much for the prayers. Craig brought a co-worker, Justin, and showed him how we witness at the malls. Eric and I went around the mall as well. Mande provided on-site prayer support and even handed out a tract! We had many good interactions with people including a Jew and a Muslim. We handed out a number of coins, tracts and pocket testaments. I also talked with a believer that may be interested in having us come to his church to train his youth group to go out witnessing!

Craig is out of town next week. Please pray for safe travels for him to Colorado with his son and Boy Scout Troop. Pray for me to be bold and find a time to go out to the mall without him.

Eric leaves Friday morning for a 10 day mission trip to Port Arthur with about 50 youth and adults from our church, Hebron Community Church. They will be putting on the VBS and doing other out reach projects. Your prayers for the mission trip are appreciated. The church asks for you to pray diligently for this trip. Pray for safety for all who will be participating, pray that we can plant seeds and be a light in this community and pray that we will glorify God in all that we do.

I am going to ask you to start praying now for a witnessing event that Craig and I have decided to do. We are going to go hand out tracts at the Marilyn Manson concert on August 30th at the Nokia Theater in Grand Prairie. We are ordering 1000 tracts to distribute that night. If any of you want to join us please let me know.

God Bless,
Carl
